

HOSPICE CARE

LOWER CAPE FEAR
LifeCare

Care and support for you and your loved ones.

Our compassionate and expert care teams coordinate with you, your doctors and your loved ones to navigate your physical, emotional and spiritual needs, supporting your goals of care, in the home or the place your loved one calls home.

Navigating your needs and supporting your goals of care during the last months of life.

- Hospice physicians and physician assistants
- Registered nurses and nurse practitioners
- Hospice nurse case managers
- Certified nursing assistants
- Medical social workers
- Chaplains and volunteers
- Grief counselors

Don't Wait

Only 10% of our patients take advantage of the full Medicare hospice benefit which includes ALL medical care, medications, equipment and visits related to diagnosis.

Many families tell us they wish they had known about hospice sooner.
