

# 25 Activities for Home Visits

## WAYS TO ENGAGE WITH PATIENTS

There are many ways to engage with patients. Here is a list of 25 to help you get started:

Read to them from a favorite book or magazine

Put a puzzle together

Sing songs and listen to some of their favorite music

Look through photo albums

Laugh

Watch the birds from a window

Polish nails

Look at picture books

Knit

Play board games

Play cards

Do some gardening

Hold a hand

Give a hug

Listen to their stories

Share recipes

Draw pictures

Do some coloring

Watch You-Tube videos

Read inspirational stories

Sit outside - weather permitting

Provide active listening

Watch a movie or favorite TV show

Talk about sports, travel, or hobbies

Sort beads/fold linens
