

Volunteer Menu of Services

YOU CAN HELP IN SO MANY WAYS!

Cornerstone Services

Support Services for Home Patients & Families

- **Companionship:** Provide social and emotional support, share stories and laughter
- **Respite:** Sit with a patient to ensure their safety and provide peace of mind so family and caregivers can run errands, do chores, take a nap, etc.

We Honor Veterans

- **Vet-to-Vet:** We pair a veteran volunteer with a veteran patient to provide social and emotional support, comradery and respite for family and caregivers
- **Veteran Pinning:** Veteran volunteer pinning teams provide a veteran pinning and certificate presentation as a salute to a patient's military service

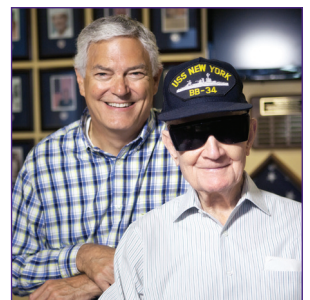

Hospice Care Center Opportunities

- **Front Desk:** Serve as the receptionist, greet and assist visitors, oversee sign in sheets for Meals of Love and other volunteers
- **Patient and Family Visits:** Provide social and emotional support to patients and their families in our hospice care centers
- **Vigil Volunteers:** Participate in team rotation to sit vigil at patient's bedside at end of life
- **Patient Sitters:** Assist with sitter coverage for hospice care center patients upon request

Pet and Music Therapy Services

- **Pet Therapy:** Volunteers with pets that have obtained pet therapy certifications visit with home and/or hospice care center patients and their families
- **Music Therapy:** Accomplished musicians create an appropriate relaxed and soothing atmosphere for our patients and their families at home, hospice care centers, or events (auditions/references may be required)

Additional Opportunities as Requested by Staff

- **Events:** Assist with tribute ceremonies and community events
- **Office:** Offer administrative assistance through assembling admission binders, performing data entry, preparing mailings, and writing letters and thank you notes
- **Bucket List:** Help make a patient's bucket list dream a reality
- **Cakes for Occasions:** Prepare homemade cakes for patients' special occasions

LifeCare Memory Partners Dementia Care

Support Services for Home Patients and Families *(additional training required)*

- **Companionship:** Provide social and emotional support, share stories and laughter
- **Respite:** Sit with a patient to ensure their safety and provide peace of mind so family and caregivers can run errands, do chores, take a nap, etc.
